- Greetings
- "Everyone needs a hobby": Why do people have hobbies? Positive aspects of having a hobby
- "A Kid invented that!": What do you know about some important inventions?
- What is an invention that you could not live without?
- What would you invent to make your life easier? How would you advertise your invention
- "I'm Unique": Identity: What various elements make up your identity?
- Relationships: The importance of relationships. Relationship idioms
- How to create a vision board
- My Friendship Vision board
- New Year's resolutions for 2025
- "Togetherness": A sense of community. Do you feel part of a community?
- Describe the neighbourhood where you live. Does it give a sense of community?
- Clothing is belonging: Describe some youth subcultures styles. Which one do you identify with?
- Travelling: Are you more a tourist or a traveller?
- Speaking activity on travelling: Travelling seen from different perspectives in art, music and literature
- Active Citizenship "Constitution and citizenship": A question of national identity. What are the qualities and responsibilities of a good citizen? What is the most important right? What does being an active citizen involve?
- What defines citizenship? What are the different forms? How is the acquisition of citizenship regulated in your country?
- Man and Nature: What is their relationship?
- How does nature reflect and affect emotions?
- How would you describe intense emotions of great joy, anger and pain using pictures from the natural world?

- **Literature Link Film “Little Women”:** Why do you think the film Little Women- in many ways a dated, sentimental, and moralizing work, has endured in popularity for more than a hundred years? What lessons can modern viewers learn from the movie that would help them live better lives?
- What attitudes towards marriage does Alcott present in the movie, and how do they compare to contemporary attitudes?
- How is the conflict between woman’s quest for political , economic, and educational equality and the demands of domestic life seen in the movie?

Educazione Civica:

Nucleo Concettuale: “Costituzione”: Constitution and Citizenship . A question of National Identity. Being an active Citizen

Competenze : Interagire correttamente con le istituzioni nella vita quotidiana, nella partecipazione e nell’esercizio della cittadinanza attiva, a partire dalla conoscenza dell’organizzazione e delle funzioni dello Stato, dell’Unione europea, degli organismi internazionali, delle regioni e delle Autonomie locali.

Obiettivo di apprendimento: Individuare, attraverso il testo costituzionale, il principio della sovranità popolare quale elemento caratterizzante il concetto di democrazia e la sua portata; i poteri dello Stato e gli Organi che li detengono, le loro funzioni e le forme della loro elezione o formazione
